

---

On behalf of our hundreds of thousands of members working across film and television, we stand in solidarity with our I.A.T.S.E. brothers, sisters and kin.

The basic quality of life and living wage rights they're fighting for in their negotiations are the issues that impact all of us who work on sets and productions.

We stand with the I.A.T.S.E.

Lesli Linka Glatter  
DGA President

Russell Hollander
